What is TED?

TED is an annual event that brings together the world's leading thinkers and doers to share powerful ideas across diverse fields—technology, entertainment, design, science, art, business, and global development—shaping the future through innovation and insight.

What is TEDxPVGCOET?

TEDxPVGCOET brings the unique TED experience to Pune. TEDxPVGCOET is a curated, day-long, immersive live experience, bringing speakers, artists, and audience members together with the purpose of sharing perspectives, sparking deep discussions, and inspiring positive networks and impactful actions around ideas that matter. The event would be held at the well-known educational institution- Pune Vidyarthi Griha's College of Engineering and Technology, tentatively scheduled for

13 september, 2025

Our goal is to inspire learning, spark meaningful conversations, and motivate others. We provide a platform for thinkers, visionaries, and learners to share idea-driven talks.
